Guide to the Directory

ALPHABETICAL

Alumnae are listed in alphabetical order. Following each name are class year, degree, occupation - including company name, address and telephone - and resident address and telephone.

Married alumnae are listed and cross-referenced under married and maiden names.

Alumnae who are deceased or whose address is unknown are denoted in the text. These alumnae appear with class year and degree only.

Complete biographical data is included if a questionnaire form was returned or if it was possible to obtain the data by telephone. In all other cases, only those alumnae with current information in the College files are included. We apologize in advance for omissions or errors, and we urge you to send corrected data to:

Tel: (804)-381-6131
Fax: (804)-381-6132
e-mail: alumnae@sbc.edu

CLASS YEAR

Sweet Briar alumnae are listed under the class year which, in some cases, is different from the year when the degree was conferred.

Alumnae who were members of the Academy are denoted with the class year 01; Special Alumnae by the class year 02.

GEOGRAPHICAL

Alumnae are listed with class year under the resident state and town. Married alumnae are listed under married names. Foreign countries and overseas possessions and affiliates are shown under the appropriate country following the state listings.

OCCUPATIONAL

This section is arranged alphabetically by industry; within each occupational classification, alumnae are listed alphabetically, under married name where applicable.

From the Alumnae Association President

Dear Sweet Briar Alumna,

Thank you for purchasing the Sweet Briar College Alumnae Directory. We hope that you will find it helpful in keeping in touch with classmates and friends. At the back of the book is a new listing denoting alumnae by occupational classifications. This should make it easier for you to be in touch with other Sweet Briar alumnae who are engaged in your sphere of interest.

Being involved as an active alumna is an excellent way to be of service to the College. Our Association aids in the recruitment of qualified students, raises scholarship monies, supports the Annual Fund and underwrites numerous cultural events on campus, such as Winter Forums. Reunions, club events and travel programs provide not only a time to socialize but frequently also are an opportunity to learn about an academic area in depth through a lecture, exhibit or special presentation.

Please do come back to "The Patch" and stop in at our new home at Boxwood. The wonderful staff is ready to welcome you and provide information and assistance. Plan to tour our fascinating museum with memorabilia of Daisy, the Fletchers and many decades of Sweet Briar memories. And as you revisit favorite nooks and crannies of our beautiful campus and the elegant buildings designed by Ralph Adams Cram, do take pride in the fact that Sweet Briar has recently been named a National Historic District.

With best wishes to you all,

Nancy Hudler Keuffel '62
President, Alumnae Association

Sweet Briar College

Academic Program

One of the country's most distinguished small, independent women's colleges, Sweet Briar offers the A.B. degree in 40 major fields and the B.S. in Biology, Chemistry, Mathematical Sciences, Physics, or Psychology. In addition, the College offers pre-professional certification programs in Business Management, Arts Management, Public Administration and teacher certification. There is also the option for self-designed majors. A full-fledged honors degree program includes all classes. Special Studies programs in Asian studies, International Studies, Latin American Studies, and Women and Gender Studies are also available, and a minor is offered in every department that has a major and in Women and Gender Studies. Sweet Briar supports its academic program with computer-related instruction. Computers are used across the curriculum, and there are well-equipped computer labs, with facilities constantly expanding.

Special attributes of Sweet Briar:

- * A full-time teaching faculty of 70, 94% of whom have doctorates or the terminal degree in their fields.
- * A student/faculty ratio of 8:1. (Close relations with the faculty is the reason overwhelmingly cited by alumnae for their success.)
- * An international reputation for study-abroad programs, particularly the Sweet Briar Junior year in France, which since 1948 has attracted nearly 5000 students from 257 American colleges and universities.
- * Library resources of over 230,000 volumes, 350,000 microforms, 5,363 audio-visual materials and 1,133 current periodicals; computer linkage with the libraries of Randolph-Macon Woman's College, Lynchburg College, and the Lynchburg Public Library; full Internet access; special libraries for art, music, education and the sciences.
- * A modern art gallery and art history library, in addition to well-equipped studios in art, music, theatre and dance.
- * The Guion Science Center with up-to-date labs and equipment. The Biology lab includes an electron microscope with a digital imaging system, unusual for a small college.
- * A national student body. About 80% are from out of state (more than 40 states are represented) and there are also about 30 students from abroad.
- * A generous financial aid policy, strongly supported by alumnae, ensures that the needs of all qualified students are met.
- * Career counseling services for both students and alumnae.
- * Sweet Briar's 3,300-acre campus, one of the most beautiful in the country. The original buildings, designed by Ralph Adams Cram, are known as the most perfect example of the collegiate Georgian style, and are listed on the National Register of Historic Places.
- * Outstanding athletic facilities, including the Rogers Riding Center, one of the best-designed collegiate riding facilities in the country.
- * An endowment of \$59,600,000.

The Sweet Briar Alumnae Association

The Sweet Briar Alumnae Association, which was founded in 1914, now consists of more than 12,000 former Sweet Briar students who represent every state and many countries and a great variety of interests, occupations and involvements. Every woman who has completed at least one semester of work at Sweet Briar is a member of this group. With no dues to be paid, each member is entitled to her copy of the quarterly Sweet Briar Alumnae Magazine, and will receive invitations to Reunions, Alumnae Council notices, and other information about the College.

MISSION STATEMENT: The purpose of the Sweet Briar Alumnae Association is to provide opportunities, direction, and information in order for its members to support and insure Sweet Briar College's reputation for excellence as an independent college for women. Involved, informed alumnae are the finest stewards of Sweet Briar's traditions and are the natural ambassadors of its philosophy.

Under the leadership of its director and its own, elected alumnae board, the association develops, organizes and implements programs for its membership which encourage continued interest in and contact with the College. These programs provide the impetus for alumnae to renew relationships by meeting socially as colleagues and offer opportunities for personal and intellectual growth as individuals through organized volunteer service in support of the college.

The Sweet Briar College Alumnae Association challenges its members to accept roles of responsibility nationally by serving on the board of the Alumnae Association, and on the board of the College, and by participating in Alumnae Council; and locally by helping in group and individual activities which assist admissions, public relations, and fund-raising for Sweet Briar.

GOVERNANCE: The Alumnae Association is an organization of volunteers. Self-nominations are accepted and encouraged. The structure of the Alumnae Association is as follows:

* Board of the Alumnae Association: Consists of 36 elected members. Eight members and the Director of the Alumnae Association serve as executive committee members; four members are nominated to serve four-year terms on the board of Sweet Briar College. The board of the Alumnae Association represents the span of classes and geographic regions. Its set responsibility is to "exercise general supervision over and set policies for the Alumnae Association" and to meet twice a year.

* Class Officers: Elected prior to graduation and again every five years at Reunion, officers keep classmates informed about each other, plan reunions, and solicit gifts to the Alumnae Fund. Officers include President, Secretary, Fund Agent, and Reunion Gifts Chair.

* Club Officers: Elected in each club area to help strengthen communications with the College, their activities include involving local alumnae in recruiting prospective students, observing Sweet Briar Day, and encouraging alumnae to get to know each other and to work together through an informal network.

* Key Alumnae: They serve as contacts with the College where a club does not exist.

* Alumnae Admissions Representatives (AARs): AARs work in cooperation with the Alumnae and Admissions Offices to provide information about the college to prospective students, parents, guidance personnel, teachers, and the community at large.

ALUMNAE OFFICE:

The Alumnae Office staff manages the day-to-day business of the association. It administers programs on and off campus involving activities of over 50 clubs and 80 classes as well as Alumnae College lectures, panels, educational tours etc. It responds to many individual alumnae requests and comments. In addition, it strives to keep alumnae informed and educated about the concerns and interests of Sweet Briar through the alumnae magazine, newsletters and other publications.

The office maintains files of class, geographic area, and occupational information. Please notify the office of name, address and occupational changes so that you will continue to receive information and our records remain accurate.

Please direct any questions, comments or suggestions to the Alumnae Office, Sweet Briar College, Sweet Briar, VA 24595; telephone (804) 381-6131, fax (804) 381-6132, or e-mail alumnae@sbc.edu Office hours are 8:30 a.m. - 5:00 p.m., Monday through Friday.

THE FLORENCE ELSTON INN:

The Inn's primary function is to house speakers and other guests of the College as well as alumnae and parents. It contains 22 rooms and can accommodate up to 46 guests. The fee is competitive with other motels in the area. Reservations may be made by telephoning (804)381-6207.

NETWORKING:

The Career Planning Office and the LIFETIMES Center (tel: 804-381-6151; fax: 804-381-6396; e-mail: careers@alison.sbc.edu) work with alumnae to develop job search materials and skills. The staff also assists in contacting other alumnae who have experience in specific career fields, or knowledge of educational, occupational and volunteer opportunities.

SPECIAL EVENTS:

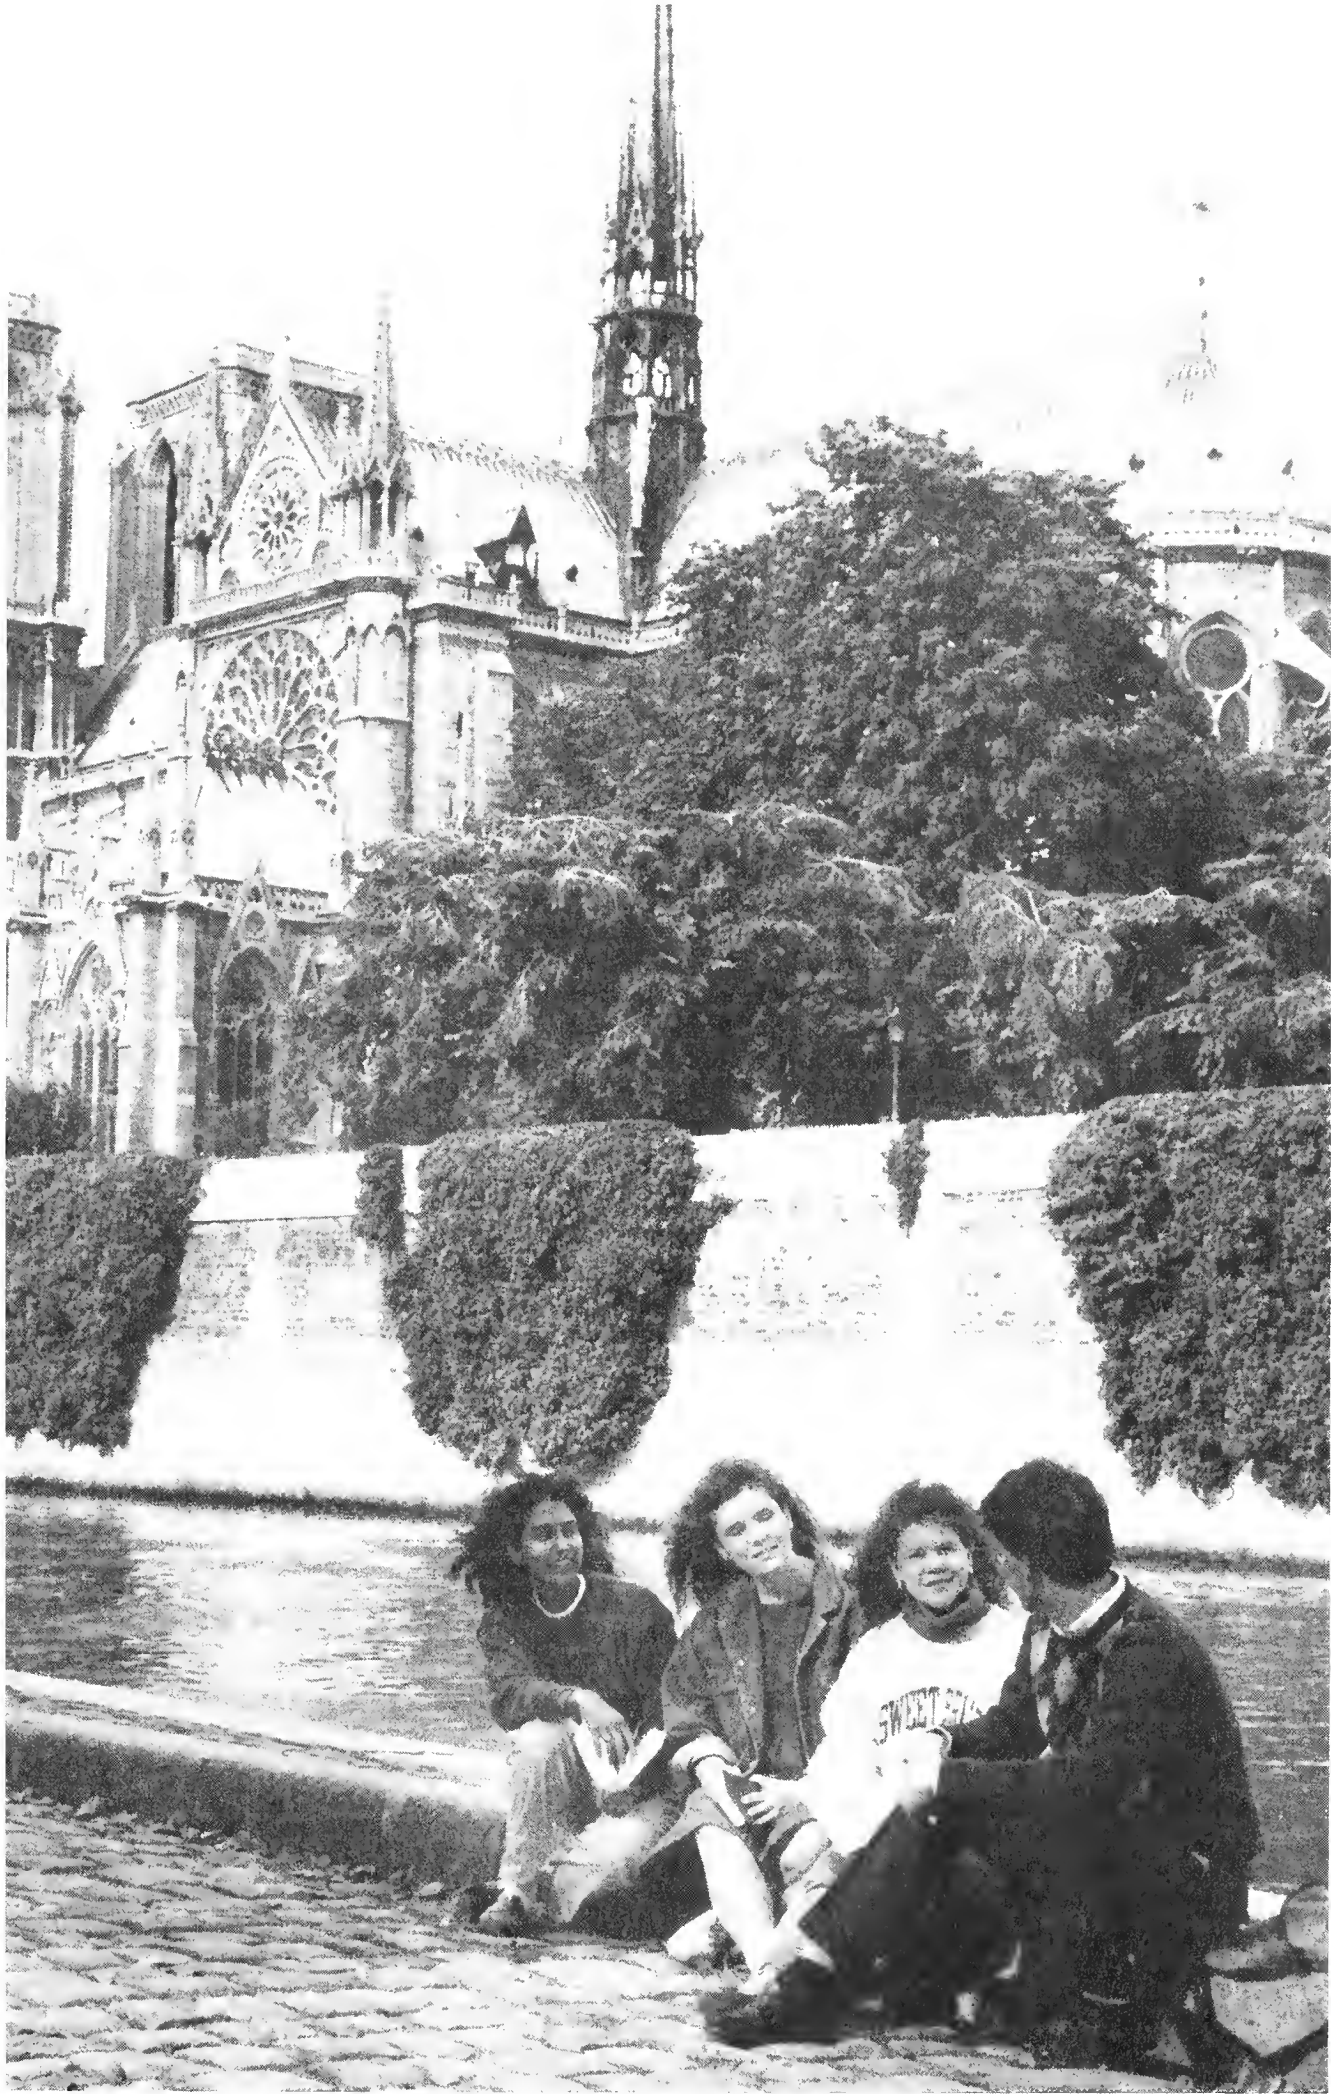

* Alumnae Council: three day volunteer-training weekend held each fall on campus.

* Alumnae Reunion: held each spring when alumnae gather with classmates and friends on campus. Each class celebrates its reunion every five years.

* Mini-Reunions: informal reunions held from time to time for alumnae of similar interests or college majors.

* Sweet Briar Day: An annual tradition since 1922, usually held on December 28, these gatherings, hosted by the club, vary from morning coffee parties and luncheons to afternoon teas and cocktail parties.

By publicizing the College, recruiting qualified prospective students, participating in association projects, and supporting the College financially, you promote the strength of Sweet Briar College. Your ideas, opinions, and thoughts are always welcomed and appreciated.
